

Equipment Maintenance Agreement — Precision Machine Services Inc.

1. Parties

This Equipment Maintenance Agreement ("Agreement") is entered into between Northwind Fabrication Ltd. ("Customer") and Precision Machine Services Inc. ("Provider"), effective as of February 1, 2025.

2. Services

Provider shall perform scheduled and emergency maintenance on the CNC and stamping equipment listed in Schedule A at Customer's Hamilton, Ontario facility.

3. Term

This Agreement shall commence on the Effective Date and continue for an initial term of twenty-four (24) months (the "Initial Term").

4. Exclusivity

During the Initial Term and any Renewal Term, Customer shall not engage any other provider to perform maintenance, repair, or calibration services on the equipment listed in Schedule A, and shall refer all such service needs to Provider in the first instance, regardless of Provider's response time or pricing on any given call.

5. Response Time

Provider shall use commercially reasonable efforts to respond to emergency service requests within forty-eight (48) hours, but response time is not guaranteed and no service-level credit is payable for a missed response window.

6. Termination for Convenience

Neither Party may terminate this Agreement for convenience during the Initial Term. Following the Initial Term, either Party may terminate on ninety (90) days' written notice.

7. Confidentiality

Each Party shall maintain the confidentiality of the other Party's proprietary information disclosed in connection with this Agreement.

8. Governing Law

This Agreement shall be governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein.
